## a New Teacher & a New Classroom

Te Kākano is expanding. It has been a very exciting season for TK where we have an abundance of children wanting to start in our Hub. We now have a waiting list which is growing every week and we are enjoying the new challenges that a coming with an expanding roll.

To accommodate for the new children starting with Miss Langridge in Koru, Koru will be using the current Rarahu space from the start of Term 3. Rarahu will be moving into the converted classroom at the back of the garage, with more cubbies being built at the back of the sports shed. This is due for completion by the end of the school holidays and Mr Smith is very excited!

Te Kākano is blessed to have Miss Brittany Speden join our team. She is a recent graduate and will be supporting us with curriculum groups. She successfully won the position here until the end of Term 4, due to her enthusiasm, willingness to learn, curriculum delivery, and her current experiences as a Learning Assistant in another school.

We are looking forward to seeing her light up as she uses her musical talents to bless our children. Welcome to the Te Kākano Team Brittany! Feel free say hello when you see her around.

“Kia ora, my name is Miss Brittany Speden and I am a beginning teacher! I have been apart of a church community for over 15 years, serving God in many ways. I am excited to meet all the wonderful students at Rolleston christian school. I am thankful that I have the opportunity to work in a Christian community and to be able to join Te Kākano.”
