Growing Together!*

**LIGHTS:** The final instalment...During LIGHTS the food waste team concentrated on 3 projects. Firstly a zero waste challenge, secondly, a 'Foodraiser' for the Ellesmere Food Bank and finally a fundraiser selling Pasta Vera so we could buy some World Vision SMILES.

During the "investigate" phase of the inquiry we visited Ellesmere Food Bank in Leeston and learnt about its day to day operation. We learnt so much and helped unload a trailer of pumpkins and sort some food boxes. We had a lot of fun and discovered most importantly that Daniel and Leonie Correy plus other volunteers have dedicated their lives to God's calling to serve Him by sourcing and funding food, as well as storing, sorting and distributing it. The students then decided to set up a Whānau group challenge to collect as much wasted or unwanted food as we could. The results were fantastic as you can see. When collecting the food Daniel prayed a special blessing over the children and families. Our Pasta Vera fundraiser also worked well, and we now have \$250 to buy some World Vision SMILES, which could be helping to plant a veggie garden in a 3rd World village or buying a Goat for a family so they can have milk. Both projects aimed to re-address the balance between food waste and poverty. The Zero waste challenge ended up being a bit too tricky and we did not get any families taking part in the challenge - that was still good learning!

Through all of the projects we learned about teamwork and collaboration, marketing techniques and direct selling. We also met Daniel and Leonie. What a blessing they have been! Their hope is that RCS will repeat the 'Foodraiser' annually and donate to a great cause - Can anyone beat Pukeko? Well done FOOD waste group, great effort!

## REMINDERS

A black 'Rolleston Christian School' hat is compulsory everyday. Please sunscreen your children before they come to school - even on those cloudy days. Children also need a water bottle. Also, children may NOT wear bare feet outside during breaks, or to and from school. Please assist them to arrive in full school uniform, and to wear it throughout the day. This is for the health & safety of all, as well as honouring and respecting our basic school expectations. Thank you!

## Up-and-Coming Events
