## WELCOME TO WEEK 5

By the end of this week we will be half way through the term and celebrating with a long weekend! We are well into our Term 2 classroom learning, and the last two weeks have been full of sport - photos over the page! (Well done to all those who did THEIR best in the cross country). A few notices:

### UNIFORM

- All students need to wear correct school uniform. Being a Senior student does not bring exceptions to this rule.
- Outdoor jackets (Puffer jackets, wind jackets etc) are not to be worn in class. They may be worn to and from school.
- School hats are not required this term. Sports caps should not be brought to school or worn at school.

### TECH DECK - AKA MINI SKATEBOARDS

Many students, mainly Year 6 & 7 boys have been bringing these to school. It is OK to play with these at breaks, but unfortunately some have been played with during learning time and have become a major distraction. If your child owns one of these, please remind them that the Tech Deck will be confiscated if seen during learning time and returned at 3pm. The students have been told of this already. We also expect that the students control their emotions if their Tech Deck is confiscated as it is a consequence of breaking a clear rule. If confiscation is upsetting, then we recommend that your child does not bring a Tech Deck to school.

#### World Vision Assembly

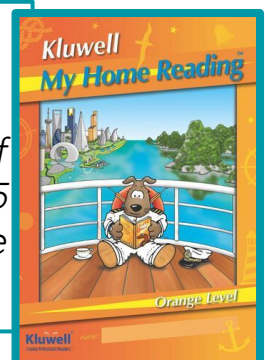

was last Friday. Students wanting to sign up to get Sponsors for this year's 40 hour famine should see Mrs Manson asap. There will also be an Orange Mufti Day, Friday, Week 7.

#### Reading

*Don't forget to read at home! This week some of our students will reach 25 nights - that's a dip in the prize box! Well Done!*
