

Te Māhuri Hub Newsletter #1 2019

Welcome to Miss Sarah Tennant who will be relieving for Dennis over the next few weeks. We also welcome Christopher Bower who has joined the RCS family from Australia.

Kia ora Whanau

My name is Sarah Tennant (pupils call me Miss T). I am so blessed to have the opportunity to be working with your children for the next few weeks. I have recently graduated from the New Zealand Graduate School of Education, where I received my postgraduate teaching diploma. I also have a degree in Psychology and Education. I have had experience on placements working at five very different schools across Christchurch. Two of which have been working in a Year 7 & 8 classroom. I thoroughly enjoy this age and enjoy being a positive role model and an encourager to my pupils. I currently attend Grace Vineyard Church, and am excited at the prospect of incorporating my faith into my lessons.

In the next few weeks, I will be running a structured Reading and Math programme that focuses on providing targeted teaching in small groups, differentiated according to your child's needs. I will also be focussing on providing 'real-world' contexts in learning areas such as Writing and Living Christianly, as I feel this is important for this age group.

I am so looking forward to working with your children and really challenging them to reach their full potential in their learning, and supporting them as people too.

If you have any questions/comments/concerns please feel free to email me at s.tennant@rcs.school.nz. I am also available in the classroom before and after school. You are more than welcome to come in and just have a chat!
