

Te Kākano Hub Newsletter

Term 2 ~ Week 4 ~ 2020

Nau Mai Haere Mai - Welcome

It is really important that you read our newsletters. We are in a dynamic time and although not ideal, things do change and we will inform you via our weekly newsletter. With Level Three taking effect this week, teachers may not be as readily available to send out repeat information. We hope you received your new Home Learning Pack from school this week and have been able to use some of the material, particularly the Maths book.

Learning Online Timetable

At the back of this newsletter are two timetables. One for those who are still Te Kākano at Home and those essential/required workers' children commencing Te Kākano at school. Mrs Gabby Nuthall and Miss Emily Langridge will be creating the TK school bubble. If you are coming to school, please adhere to **all** of the guidelines set out by Miss Horn - this keeps our teachers safe as well as your children. The Te Kākano at home timetable follows more of the typical day structure so it is not such a shock when all the children return to school at Level Two. Mr Mark Smith and Miss Kendra Liggett will continue to support the online learning from home.

Hui Times - New Groups/Times

There are **two** daily hui time groups per Kōhanga. Your child's hui time will either be at **10:00am** or **10:30am** and will continue to be via Zoom (Mrs Nuthall & Miss Langridge will do their times from school). Miss Liggett will do Rarahu's hui times on Fridays. Please look out for a message from your child's kōhanga teacher with a Zoom link and a time.

Pastoral Care Calls - Level Three

We are aware that you may be receiving multiple channels of communication with many agencies at the moment. In Level Four, it was really important for us to ensure that our families felt well supported by the school and we had a picture of the pastoral care needs of each family. As families move more confidently into schooling from Home, you may not feel the need for a weekly call anymore and may like a pastoral care call on a fortnightly basis instead. If you would like a fortnightly call, please email/Seesaw message your child's kōhanga teacher asap. If we do not hear from you, we will continue to call on a weekly basis. A reminder that these calls are now voice calls and not Zoom meetings.

Packs & Online Learning

This week, a new pack was delivered to your home. It contained the At Home with Maths workbook, three weeks worth of Living Christianly/poetry/big book responses, as well as some blank paper and the Te Kākano at Home timetable. If you are finding that the Maths book is too hard/easy please contact your child's kōhanga teacher.

Living Christianly

As part of being a special character school, it's really important that your kids have the opportunity to engage with the online Living Christianly videos and activities that come out each day. It has been wonderful to see the children grow in their faith over this time too. A reminder of our Living Christianly week: Memory Verse Monday, Story Tuesday, Worship Wednesday, Activity Thursday and Prayer Friday. We really enjoy making content to connect them to Christ and God's story.
