Term 4 ~ Week 1/2, 2021

Welcome back to school! This is the fastest term of the year. So hold onto your hats, here we go! There seems to have been a lot going on over the holidays in terms of where the country is in relation to COVID 19. We endeavour to keep you and your children safe here at school. We will continue with our Alert level 2 procedures.

## Up & coming special events:

- Athletics day- Mr Smith is currently coaching year 5 and up children in various athletics events at lunch time if they want to have a go and then if they decide to take it seriously he will do some extra coaching with them. There will be an RCS athletics day but it will look different this year unfortunately. The proposed date for this event is the 24th of November.
- Reports are due out at the end of the week. Look out for these in your email. Most of us are celebrating the progress that our children have made. Some may not quite be at the level they need to be but have made progress within the level they work at. Some have stayed the same on the report. This does not mean that they haven't made progress. It is normal to plateau in our learning especially if we are consolidating the learning after we made a big jump earlier in the year. Here is a little diagram of the learning pit which I like to share with the children and look at myself too as a reminder that learning is not always easy!

- We have high expectations about uniform. Please provide an email to your child's kōhanga teacher if the correct uniform is not being worn. Thank you.
- Level 2 procedures continue at school. Please wear a mask if you need to come in to school, sanitize your hands and use the track and trace code before entering the building.

## Living Christianly- weeks 1&2

### Communicating clearly

God designed us to be in relationship with Him and others. Communication is an essential aspect of relationship. Christians value clear, truth-filled speech that brings God's word to life. Christian communication should be guided by the Holy Spirit and motivated by His fruits.

### Memory verses:

Words spoken at just the right timer as appealing as apples gilded in gold and surrounded with silver  
**Proverbs 25:11**

Do not use harmful words, but only helpful words, the kind that build up and provide what is needed, so that what you say will do good to those who hear you  
**Ephesians 4:29**
