Term 1 ~ Week 11, Term 2 wk 1~ 2021

Haere mai ki te whanau o Te Pihinga

Well here we are officially at the end of term 1, 2021. I'm personally feeling grateful for a wonderful long Easter break and also that unlike this time last year we have managed to avoid any lock down in our neck of the woods! I wish all the children a very happy holiday for the next couple of weeks. Looking forward to seeing everyone back next term, well and truly used to daylight savings!

## Reflections:

### Celebrations:

This term we have a lot to celebrate! Not the least being able to get to the end of it without having to go into lockdown. Our hub in general has done particularly well at transitioning to new classes and routines. The year 3s and 4s that came from Te kakano have been outstanding in the way they have negotiated the changes which were notably bigger for them. Our 14 students that were new to RCS deserve a big congratulations for making it through the first term and adding such joy and richness to our hub. Included in our new hub team are our two new teachers Miss Julia Caldwell and Miss Lisa Hegglun who are also doing a stunning job of juggling the changes for themselves and quickly getting to know all the children we are responsible for. Not an easy task!

### Thank you

I would like to take this opportunity to thank Mr Redeppening for his continued commitment to our children and for his servant hearted teaching in our hub. Also a shout out to Mrs Mundt who shares her time between us and other classes to help out with children that need that extra special touch. All the children enjoy having you around. Our team would also like to thank you...our whanau/parents/grandparents and even siblings of our children for partnering with us to make school the best it can be this term by being open and partnering with us to help your child/ren be the best they can be. We look forward to our Learning Conferences again next term but encourage you to contact us whenever you feel any need to share your joys or concerns about your child.

### Reports

At the beginning of next term (end of week 2) you will be receiving your child's academic progress report. Shortly after that you'll be invited again to meet with your child's teacher to discuss their progress and ways in which we can partner together to help your child's learning at school and home.

# Reminders

- School uniform: On cooler days children can wear merino or thermal under garments that are long sleeved or tights. These must be black please.
- If for any reason your child cannot participate in any part of the school day eg PE/Fitness please contact us via a text, email, or note. Thank you!
- Although hats are not compulsory next term, they're still a good idea if we're outside for long periods of time gardening or doing PE. Beanies in school colours are great as well to keep the head warm on cool days. Gumboots can be worn on wet days or gardening days. A raincoat in the bag is a good idea for those days where it's not raining hard enough to stay inside but require an extra layer to keep dry.

## Living Christianly

### Week 11

#### Pentecost

Jesus's act of restoration means that we don't have to live this life by ourselves, or make things right by ourselves - God gives us His Spirit to help us. Through the Fruits of the Spirit, we can restore the trust that was broken through conflict within our relationships

#### Memory verse:

But the Helper will teach you everything. He will cause you to remember all the things I told you. This Helper is the Holy Spirit whom the Father will send in my name.

**John 14:26**

# Mrs Siave's writers retell the Easter story!

**An Easter story**  
A long time ago God came to Jerusalem and everybody came to him. He told two of his disciples to go ahead of the others. He told them to get a young donkey that has never been ridden on before. If somebody asked what they are doing to say to them the master needs it. We'll return it soon. Jesus' disciples had a big feast and washed their feet. He said somebody will betray me. Jesus betrayed God and now Jesus was praying in the garden.

**An Easter story**  
A long time ago there was a man called Jesus. He never sinned and he had followers. But one replaced Jesus for money. It was about \$60 and he led the Romans to Jesus and he died on the cross and there were others. It was called the scull. The person on the right said, "I want to go to heaven". And Jesus died and he was put in the tomb but on the third day he rised. At first, Mary didn't recognise him but Jesus told Mary it was him.

**An Easter story**  
In the town where Jesus was he asked his followers to go with him to a garden, where they prayed. One of the followers betrayed Jesus for money. He got Jesus and they killed him on the cross. Everyone was sad. Three days passed then women came to the tomb but Jesus' body was not there. There was an angel instead. It told them that Jesus is alive. So they ran to the followers. Jesus is alive. Then Jesus appeared. They saw him and

**Easter Story**  
A long time ago there was a man called Jesus. He died on the cross and rose again. First, a disciple called Judas betrayed Jesus. He told the rulers where he was. Jesus carried the cross. People shouted, "Boo, boo, boo"! Finally, Jesus died on the cross. On Sunday morning there was nobody in the tomb. Then an angel said, "Do not be afraid". Then Jesus was standing there. Mary told the disciples. When Jesus walked in the house the disciples were scared, they thought he was a ghost.

**Easter Story**  
Jesus rode on a donkey to Jerusalem. One of his disciples went to the soldiers. The soldiers gave Judas money. Then Jesus was having dinner with his disciples. He said, "This bread is my body, the wine is my blood". Jesus washed the disciples feet. Then they prayed in the garden. Then the guards arrested Jesus. The King made him carry the cross and then Pilot put him on the cross. There were two
