

Te Pihinga Hub Newsletter Term 2, #5 2019

Matipo - Horoeka - Toe Toe

Kia Ora Parents!

We hope all the children who have been ill the past week have recovered, the classes certainly became smaller and smaller as the week went on. A highlight was the cross country on Friday - well done to everyone who participated and tried their personal best!

Reading Resources - Parent Help Request

With the new Junior building coming online, much-needed storage space has been freed up. Our reading resources have found a new home, and it is wonderful, making life a lot easier for teachers to source texts.

A system has been set up but we now need to complete it - we need one, preferably two, parents to spend approximately two hours to move the project towards completion. The job involves lots of photocopying, glueing and laminating. Mr Smith is coordinating this, and will set you up for success. If you can help, please talk to me. I look forward to hearing from you.
Many thanks. Mark.

Living Christianly

A highlight this term has been learning about Daniel in Living Christianly. He was chosen by staff as a Godly character that showed how to live out our values focus for the Term:

Hope and Excellence - as we grow in Godly character, we grow in Hope.

We looked at Daniel being a “man of great character” and what that actually looked like in his life. We discovered Daniel was solution seeking, had wisdom and courage, and he prayed and put God first no matter what the consequences were. We also learnt about pride from King Nebuchadnezzar, and how turning to God gives us and others Hope. Please ask your children what they learnt from Daniel and how they can apply it to their own lives.
