Totara - Rātā
Growing Christ-like, Creative, Critical Thinkers

Welcome to Week 10, Term 2

Philippians 2:4 Don't look out only for your own interests, but take an interest in others, too.

CREATIVITY RUBRIC Finding & Taking Opportunities

In Living Christianly this is our focus for the next two weeks. The children are learning to look for an opportunity to serve, help or solve a problem. The Year 5 & 6s have the opportunity to serve through sharing reading together with some of the Year 2 & 3s. They are learning to look to the interests of the younger children, learning to coach and encourage them in reading.

School Uniform

Please make sure correct school uniform is worn. This includes wearing the school polar fleece, not a non-school sweatshirt. Black thermals may be worn under the school polo shirt. Nail polish and make-up should not be worn.

Technology - Year 7 & 8

From Wednesday 3rd June, Technology will be back at Lincoln Primary School. **So on Wednesdays, Year 7 & 8 children will need to be at school by 8.30am** in order to have time to do the roll and catch the bus.

Maths Whizz

Please take advantage of your Math Whizz account and encourage your child to use this at home.

Homework

It is expected that children in Te Mahuri

- Read for 20 minutes every day at home.
- Learn their weekly spelling words at home and write them each in a good sentence.
- Practice basic facts and times tables and why not do 20 minutes of Math Whizz 3 times a week?
