Totara - Rātā
Growing Christ-like, Creative, Critical Learners

Welcome to Week 2, Term 4

Colossians 3:23 In all the work you are doing, work the best you can.
Work as if you were working for the Lord, not for men.

After a very busy Term 3, Term 4 is also shaping up to be so! This week Rata and Totara are visiting the Marae at Taumutu as a “LIGHTS” project. We also have the Kids for Kids Choir practice & performance on Thursday, plus Learning Conferences next week.

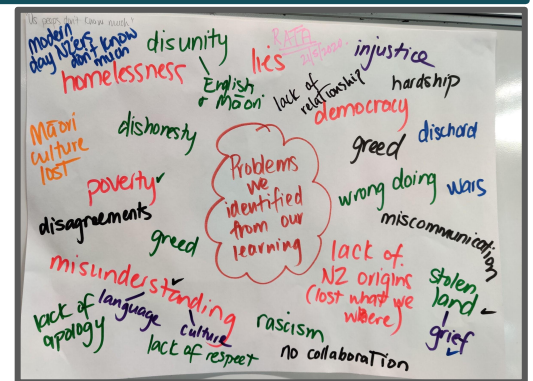

Uniform

Please remember we require all students to wear school hats during Term 4. All students should continue to wear full school uniform, including correct polar fleece, and polo top. All non-regulation uniform requires a note from home.

“G” GO FOR IT LIGHTS PROJECTS

In the last week of Term 3 we saw two more projects begin, the Cultural Garden and the Cultural Mural. A big thank you to the parents who helped out! The students took action to try and counteract some of the issues we found when learning about New Zealand history. They decided that projects that encouraged all cultures to feel welcome, and projects that increased cultural understanding, knowledge and empathy would really help.
